Pray, Fast, Give

During Lent, the Church asks us to surrender ourselves to prayer and to the reading of Scripture, to fasting and to giving alms. The fasting that all do together on Fridays is but a sign of the daily Lenten discipline of individuals and households: fasting for certain periods of time, fasting from certain foods, but also fasting from other things and activities. Likewise, the giving of alms is some effort to share this world equally—not only through the distribution of money, but through the sharing of our time and talents. (Conference of United States Bishops).

Lent is a time for us to recommit ourselves to repentance and belief in the Gospel. Whether our sins are small or large, Christ reached out to us and calls us to change our minds and hearts. We are always being challenged to become more like Him. To suffer, sacrifice and to die and rise with Christ is a daily spiritual exercise for a follower of Christ. Through our weakness He makes us strong.

As we begin this Lenten Season of 2015, we pray for each other. We ask God to open our hearts to the poor among us. At times we are the poor and we need to accept God's love for us. Together let us seek and find Christ in our sisters and brothers who live among us.

Let us not turn our backs on our neighbors.

HOLY HOUR

On Tuesday, March 3, the parish will once again celebrate a Holy Hour in preparation for the Pope's Visit.

We will once again pray the rosary during exposition followed by Benediction.

All are welcome to attend on Tuesday at 7 pm in the Church.

CONFESSIONS AND STATIONS OF THE CROSS

Confessions will be heard every Wednesday evening at 7 PM during Lent except during Holy Week.

Stations of the Cross will be held on Fridays at 1 PM (School) and 7 PM except during Holy Week.

**PREPARING FOR THE WORLD MEETING
OF FAMILIES**

To prepare for the World Meeting of Families and Pope Francis's visit, we are studying a catechesis on family life called Love is Our Mission: The Family Fully Alive. Each month, our parish is reflecting on one chapter. Previous monthly reflections are online at PhillyEvang.org/wmof. You can order the catechesis and learn more about next year's big event, at WorldMeeting2015.org.

Chapter 4: Two Become One

Our first three chapters reviewed basic Christian faith. We saw how confidence in Jesus opens the door to faith, enabling us to know God and what God has done in history. God creates male and female in his image, and makes a covenant with Israel and the Church. God is faithful to his promises, even when we sin. Because God loved us in this way, we spend our lives trying to return our love to God and share it with our neighbor. In this month's chapter and in the chapters to come, we will study the implications of these doctrines for marriage and the family.

When husband and wife promise to love each other as God loves us all, they make a commitment to love not only romantically, but also with mercy and forgiveness. Our culture sometimes teaches us to think of marriage as a negotiable contract between two individuals who happen to feel sexual chemistry. This view of love is a recipe for instability, since it is still premised on individualism and the waxing and waning of romantic feelings.

The Church's alternative account of love enables us to transcend the culture of individualism and become who we were created to be. Founded on Christ, sustained in the sacraments, Catholic marriage builds humility and self-sacrifice into the dynamic between male and female. As this month's chapter explains in more detail, sacramental marriage creates intimate communion even in times of suffering and hardship. "Love is our mission," as our catechism's title declares, because Christ's love frees us from false, shrunken accounts of love and makes us fully alive. - Christopher C. Roberts, catechism editor

NEW NEIGHBORS IN DUFFY HALL

Sometime in the Spring we will welcome some new neighbors. These men, ages 40 to 65, will be residing in Duffy Hall. These men originally lived in the Don Guanella Home in Springfield, PA. Catholic Social Services will be renovating the Hall to provide living quarters for 8 men with intellectual challenges. There will be a Unit Manager on site who will be helped by 2 to 3 aides. These new neighbors are familiar with community living. Some of them will probably be joining us for Mass. It is possible that their families who live in the area will also worship with us. I would like us to help these neighbors feel welcome in their new home. After all, isn't that what all of us want for ourselves?
