## You Are Cordially Invited

Have you ever been invited to a royal banquet? At first I thought, "No." I remembered, then, that I have been invited to dine with royalty many times. I enjoyed the banquet and the guests who were there. At times I took the invitations for granted but I was always glad to be invited.

Of course you know we all have been invited to royal banquets. Jesus invites us weekly to attend His Sunday Banquet. Many of us have attended and with God's help will continue to attend the Banquet of the Mass with our Host, Jesus Christ the King.

God will provide all that we need to celebrate with Him. He will give us the desire and the love to be present. He gives us Himself as the food that sustains us. He delights us with words of wit and wisdom. He is concerned that each of His guests is satisfied.

We are indeed lucky people to be invited time and time again to a heavenly banquet here on earth. May we all be so blessed as to be received into that eternal banquet in the kingdom of heaven.

## CHILDREN'S LITURGY OF THE WORD

Every Sunday, St. Dominic Church hosts a very special Children's Liturgy of the Word celebration during the 9:30 mass. The Liturgy of the Word is presented to all children in grades 1 through 4 in a very simple way that helps them to understand the Word of God.

The children gather for 9:30 mass in the main church with their parents/guardians. After the opening prayer, the children are invited to assemble in the Adoration Chapel to listen to the same readings taken from the Children's Lectionary. After the Liturgy of the Word is complete, the children return to the main body of the Church for the Liturgy of the Eucharist.

### FROM THE PRINCIPAL...

Welcome to the new school year! September was a busy month at the school. We welcomed three new teachers and several new students to the school. Students entered with excitement in their hearts and smiles on their faces as they met their new teachers and made new friends.

We began our year with a "Welcome Back" mass in celebration of our faith, shared and lived, in our school community. As I walk through the halls and visit classrooms, I see students engaged in learning, sharing ideas, and working together. From PreK to eighth grade I see the kindness of children in action and witness children who know Jesus is the reason for this school. Thank you for your commitment to Catholic education and to the school. Let this year be a time for growing spiritually, socially, and academically for all.

**ARCHDIOCESE OF PHILADELPHIA**

Dear Brothers and Sisters in Christ,

"Today vast numbers of people still do not know Jesus Christ." Pope Francis begins his message for this year's celebration of World Mission Sunday with these words. And he quickly offers us the way to make a joy-filled, life-giving difference: "World Mission Sunday is a privileged moment when the faithful of various continents engage in prayer and concrete gestures of solidarity in support of the young Churches in mission lands."

On October 19, our Archdiocesan family celebrates this "privileged moment" joining with our brothers and sisters around the world who will gather at the Lord's Table to celebrate, with great joy, our common vocation as Missionaries. Our prayers and concrete gestures of solidarity will help build local churches, like the church in Mongolia, the world's youngest Catholic Church, and churches across the globe. Through the work of missionaries in these churches, and their witness to Christ, the needy receive practical help and experience God's love and mercy, His hope and peace.

Your prayers and material support will help the Pontifical Mission Society for the Propagation of the Faith, the Holy Father's chief missionary arm, to provide resources to missionaries who proclaim the Gospel and offer help to our brothers and sisters throughout 1,150 mission dioceses. As I said in the past, "We need to bring Jesus Christ to the whole world and the whole world to Jesus Christ. Our mission flows straight from the inner life of the Trinity. God sent his Son. The Son sends his Church. And the Church sends us. We need to be missionaries." No work of the Church is more central to her reason for being.

I thank you in advance for your generous response to the needs of others. Pope Francis encourages us to take joyful part in the Church's mission to all the nations, as we live our lives grounded in love for Jesus and concern for the needs of the most disadvantaged. May World Mission Sunday offer each one of us an opportunity to accomplish both, as we share the joy of the Gospel and help all people in need with our fervent prayer and our generous hearts!

Sincerely yours in Christ,

Most Reverend Charles J. Chaput, O.F.M. Cap.  
Archbishop of Philadelphia
